

Workplace Well-Being

A Multi-County Needs Assessment (New York State)

Please complete here https://www.surveymonkey.com/r/X5SX9BN

Mission

This project seeks to improve well-being in the workplace, including mental, physical, and financial health, **and** support workplace leaders and managers in making the best decisions about these issues.

Purpose

Your perspective is very important during this critical time. This 10-15 minute survey invites your insights and opinions about well-being. Survey results will be shared through Chambers of Commerce and Public Health agencies throughout the New York area.

Know Before You Start (Information Requested)

Any information you provide will be confidential. Results will be reported in aggregate only. Individual responses will not be identifiable in any report.

The survey asks for information you may need before proceeding. <u>Click here for a pdf</u> of the survey to help prepare you for questions about organization size, employee information on wage, hours worked, and financial investment in wellness.

If you agree to participate, please click Next below. By clicking Next, you are giving your consent to participate.

Note. If you work in a Human Resource (HR) Department or have a job relating to the HR function, please answer the survey questions with regards to your local work area.

SURVEY FUNDING

The survey is funded through a unique coordination of Federal and State grants to the Southern Tier 8 Economic Development Board (Binghamton) and Collaborative Recovery Empowerment of the Southern Tier (CREST); and also the Team Awareness Workplace Wellness (TAWW) project to the National Council on Alcoholism and Drug Dependence — Rochester Area (NCADD-RA) and the Leatherstocking Education on Alcoholism/Addictions Foundation (LEAF) in Oneonta.
