Good morning – On behalf of Volunteers of America and the people we serve, I want to thank the Small Business Council and all of your members for their immense generosity! We are so grateful for the 190 boxes of holiday food along with the gift cards that were delivered to us on Saturday. Our staff have been giving out the baskets and gift cards over the past few days, and families are so appreciative. You are truly making their holiday with your generosity. When people are struggling and working to overcome a variety of challenges, the knowledge that their neighbors care and are thinking of them goes a long way. In addition, the ability to cook food themselves and enjoy the holidays gives them a true boost to their spirits. Thank you for providing happiness and hope along with food for the holidays.

With much appreciation,

Pat Drake
